

SCHOTT
ZWIESEL

For many years, Schott Zwiesel has been setting standards with modern products. They are the worldwide market leader among experienced manufacturers of crystal glassware. They supply to sommeliers, wine makers, internationally acclaimed chefs and top hotels in over 120 countries. Schott Zwiesel backs up their proven track record with sustainable, innovative products. They create timelessly modern designs and excellent applications for crystal glassware that reflect the latest trends, and come to life with Zwiesel Kristallglas.

**TRITAN®
PROTECT**

The line features double the protection against stem breakage compared to conventional glasses. The specially tempered surface protects the glass against scratches and increases strength and durability.

- Made in Germany
- Lead-free crystal glassware: exceptional clarity and perfect form
- Environmentally friendly production: low carbon footprint
- Superior dishwasher resistance

Discrete effervescent points which are laser etched at the inside base of the bowl to improve the presentation and longevity of the bubble stream. These points help to encourage the gas to separate at the base of the bowl, which in turn causes the bubbles to spiral upwards through the full length of the wine in the glass.
